Students may petition to have a course not on the approved list counted towards the five upper division requirements provided they can demonstrate that LGBT issues play a significant role in the course and that they will focus their own work for the course (amounting to 30% of the final grade) on an LGBT topic. **Please contact your minor academic advisor for assistance.**

Students may use 4 units of LGBS 190 and up to 8 units of LGBS 193 to count towards the five upper division requirements.

**Note** Students may satisfy an upper-division requirement by completing 4 units of LGBS 198-I (Internship).
